

FROM COMPONENTS TO FINISHED OEM PRODUCTS – MANUFACTURED UNDER ONE ROOF

Integrated OEM & ODM Manufacturing Partner
for Electrical, Electronic & Hybrid
Electromechanical Products

COMPANY OVERVIEW

Nakoshi Global Pvt. Ltd. is an Indian manufacturer specializing in the design, engineering, and manufacturing of electrical, electronic, hybrid electromechanical assemblies, and finished consumer electrical products.

We provide integrated OEM & ODM manufacturing solutions from concept development and engineering to component manufacturing, assembly, testing, and mass production—all under one roof.

With over 25 years of manufacturing excellence, Nakoshi has established itself as a trusted manufacturing partner for domestic and international OEMs through engineering-driven solutions, consistent quality, manufacturing flexibility, and reliable on-time delivery.

Our integrated manufacturing model enables customers to reduce supply chain complexity, accelerate product development, optimize manufacturing costs, and bring innovative products to market faster.

OUR VALUE PROPOSITION

**FROM COMPONENTS TO
FINISHED OEM PRODUCTS –
MANUFACTURED UNDER
ONE ROOF**

Our vertically integrated manufacturing approach enables customers to simplify supplier management, reduce lead times, improve product quality, optimize costs, and accelerate time-to-market.

OUR CORE BUSINESS SEGMENTS

1 PLUG INSERTS FOR POWER CORDS

From In-house Brass Pin Manufacturing to
Finished Plug Insert Assemblies

PRODUCTS

- 2 Pin Plug Inserts
- 3 Pin Plug Inserts
- 6A Plug Inserts
- 16A Plug Inserts
- International Plug Inserts
- Pin Bridge Assemblies
- Customized OEM Plug Inserts

CAPABILITIES

- In-house Brass Pin Manufacturing
- Plug Insert Assembly
- Plastic Moulded Components
- Assembly & Testing
- OEM Manufacturing

2 LED, NEON & SIGNAL LAMP ASSEMBLIES

From LED & Neon Components to
Finished Signal Lamp Assemblies

PRODUCTS

- LED Indicator Assemblies
- Neon Lamp Assemblies
- Signal Lamp Assemblies
- Appliance Indicator Modules
- LED Wiring Harness Assemblies
- Neon Wiring Harness Assemblies
- Customized OEM Indicator Assemblies

APPLICATIONS

- Water Heaters
- Electric Kettles
- Induction Cooktops
- Air Coolers
- Home Appliances
- Consumer Electronics
- Industrial Equipment

3 PCB ASSEMBLY & WIRE HARNESS SOLUTIONS

SERVICES

- SMT PCB Assembly
- Through-Hole PCB Assembly
- Mixed Technology PCB Assembly
- PCB Testing
- Wire Harness Assembly
- Cable Assembly
- PCB & Wire Harness Integration
- Electronic Sub-Assemblies
- Functional Testing

4 HYBRID ELECTRICAL & ELECTRONIC ASSEMBLIES

PRODUCTS

- Hybrid Electrical Assemblies
- Electromechanical Assemblies
- Heater Assemblies
- Customized Electrical Modules
- OEM Sub-Assemblies
- Consumer Appliance Components

5 ELECTRIC AIR FRAGRANCE DIFFUSERS

From Components to Finished Electric Air
Fragrance Diffusers — Manufactured Under One Roof

PRODUCTS

- Electric Air Fragrance Diffusers
- Plug-in Fragrance Diffusers
- Electric Fragrance Oil Vaporizers
- Ultrasonic Aroma Diffusers
- Electric Camphor Vaporizers
- OEM Manufacturing
- Private Label Manufacturing

6 ELECTRIC MOSQUITO REPELLENT DEVICES

Complete OEM Manufacturing Solutions

PRODUCTS

- Electric Mosquito Repellent Devices
- Plug-in Vaporizers
- Liquid Vaporizer Machines
- Heater Modules
- Electrical Plug Modules
- OEM Manufacturing
- Private Label Manufacturing

OEM MANUFACTURING SERVICES

Nakoshi manufactures products according to customer specifications, technical drawings, engineering requirements, quality standards, and branding requirements.

SERVICES

- Contract Manufacturing
- Component Manufacturing
- Product Assembly
- Tooling Support
- Mass Production
- Product Testing
- Export Manufacturing
- Private Label Production

ODM PRODUCT DEVELOPMENT

Nakoshi supports customers from product concept to commercial production.

SERVICES

- Product Design
- Industrial Design Support
- Reverse Engineering
- Rapid Prototyping
- Design for Manufacturing (DFM)
- Engineering Optimization
- Material Selection
- Product Validation
- Pilot Production
- Commercial Manufacturing

MANUFACTURING CAPABILITIES

Our integrated manufacturing facility enables end-to-end production under one roof.

IN-HOUSE MANUFACTURING CAPABILITIES

- Brass Pin Manufacturing
- Plastic Injection Moulding
- Plug Insert Assembly
- PCB Assembly
- Wire Harness Assembly
- Electrical Assembly
- Electronic Assembly
- LED Assembly
- Neon Lamp Assembly
- Heater Assembly
- Functional Testing
- Final Inspection
- Final Assembly
- Packaging & Logistics

INDUSTRIES WE SERVE

- Electrical Appliances
- Power Cord Manufacturers
- Home Appliances
- Consumer Electronics
- Kitchen Appliances
- Water Heating Systems
- Lighting Products
- Air Care & Fragrance Products
- Mosquito Repellent Products
- Industrial Electrical Equipment
- Export OEM Brands

QUALITY COMMITMENT

- ISO 9001:2015 Quality Management System
- RoHS Compliant Manufacturing
- Incoming Material Inspection
- In-process Quality Control
- Functional Testing
- Final Product Inspection
- Lean Manufacturing
- Six Sigma Methodology
- Continuous Improvement

WHY CHOOSE NAKOSHI?

- 25+ Years of Manufacturing Experience
- Integrated OEM & ODM Manufacturing
- Single Manufacturing Partner from Components to Finished Products
- In-house Manufacturing Capabilities
- Engineering & Product Development Support
- Flexible Production Volumes
- Quality-Driven Manufacturing
- Reliable Global OEM Supply Partner
- Competitive Manufacturing Costs
- On-Time Delivery
- Customer-Centric Approach

OUR VALUE PROPOSITION

Nakoshi Global provides integrated manufacturing solutions by combining component manufacturing, electrical and electronic assemblies, PCB assembly, wire harness manufacturing, hybrid electromechanical assemblies, and finished consumer products within a single manufacturing ecosystem.

This integrated approach helps customers reduce supply chain complexity, accelerate product development, maintain consistent quality, and bring products to market efficiently.
